Anh Cao

Scientist

Ph.D. Mathematics Student   **acao8@gmu.edu**

Profession

Scientist   Dahlgren, VA

Naval Surface Warfare Center   2024 - Present

Teaching Assistant   College Park, MD

University of Maryland   2023 - 2024

Education

George Mason University   Fairfax, VA

Ph.D., Mathematics   2024 - Present

University of Maryland   College Park, MD

Bachelor of Science, Computer Science   2022 - 2024

Bachelor of Science, Mathematics

Minor, Physics

Past Projects

Athena   *https://github.com/anhhcao/agui*

Contributed to the development of a dynamic graphical user interface for magnetohydrodynamics (MHD) modeling software *Athena*, to assist in problem configuration and data presentation.

Bracket

Custom compiler and interperator for a parody programming language *Bracket*, written in C with support x86 systems.
